

Talent Strategies in the Era of “The Great Resignation”

Topics to be covered:

- Onboarding – Making the initial introduction to the company meaningful and fun.
- Employee Development
 - Dust off those old job descriptions and create “career paths” for all positions.
 - Establish training and development opportunities on a wide range of topics
 - Mentoring
- Compensation
 - Managing escalating salaries
 - Ensuring your compensation program is competitive
- Retention Tools – How do we get our employees to stay?
- Managing Through Staffing Shortages – What are some best practices to keep our businesses running?
- Diversity, Equity and Inclusion – Young employees are more focused on this than ever before.
